AMA CHAPTER 172, CIRCA 1960,
FAIRFIELD CA
April 2011 Issue 4

The Pres Says.....

Looks like decent flying weather is finally upon us!! So get out there and refresh your piloting skills.

We held our first fun-fly March 27, and the weather was nearly perfect. We had a great turn-out of pilots & crew to hold a real fun, fun-fly. There were a lot of laughs and comradeship

displayed by all. If you didn't make it to this one, be sure to come out to the next one. I guarantee you'll have a good time. If not.... your \$\$ will be refunded!!!

(Of course there is no entry fee) LOL!! Remember the 2nd T-34 race is set for April 30. We will again need help from the membership to make this event work as well as it did at the last race. Hope to see many of you there.

In closing, I would remind everyone that if you have any input, good or bad, that you feel needs to be addressed, please feel free to contact me.

Signing off....

Monty "crash & burn" Welch

March 8th 2010 Meeting Minutes:

Called to order @ 7:30. 13 Members present.

Committee Reports:

Flying site: Still looking good. We need to have a work party to repair the roof and fix up the road. This will happen after the rains have stopped.

Membership: 52 members

Safety: Several guys are taxing out of the pits. Also it has been noted that people are reaching over the running propeller to remove the glow ignitor. This will result in a really bad day for someone. Please always remember to remove it from the back.

When the weekday warriors are racing they have all agreed to fly further out from the pit area.

Events: July 30-31st is the Travis Airshow. Looking forward to some new Fun Fly events. Steve is in process of getting in touch with the person that will handle the airshow. Also some outlying area stuff. May 7-8 Roseville Warbirds, Castle Fly-in Memorial day weekend, Red Bluff Float fly July 15-17th,

Old Business: None

New Business: Work Party to be setup. Joe Montgomery will provide a stencil for the new sign. Lease is in process as of yet the City hasn't said anything. No news is good news. Xmas party to be moved to a new location. Will be able to order off of menu. Much cheaper that way.

I had a great time watching the Fun Fly on Saturday. Jason won the event and Scotty came in second with Chris Dellinger rounding out the pack in third. I'll just show you all some pictures of an airplane that showed up at work the other day.

See you at the field SOON

Club Announcement

May 1st... **all engines** will be required to have an effective muffler

on their planes if their engines are over .25... to cut down the noise.

This is important so as to not annoy the neighbors to the West of the field and create complaints which could result in loss of field.
