October 10-12 Jet Fly

November 1 Toys for Tots

November 29-30 Farewell Weekend  
TBA Christmas Party

### **September 9th 2008 Meeting Minutes**

Called to order@1930. One guest, 14 members in attendance. Aaron Given is a new member. He's in the Coast Guard and is new to R/C.

#### **Committee Reports:**

**Flying site:** Marshall is going to mow the field before the Fly-in. We should be able to create parking around the heli-pad.

**Membership:** One new member Aaron Given. Board Members need to be nominated starting next meeting.

**Treasurer:** Reported

**Safety:** None noted

**Events:** Sept 28 100 lap race and Oct 4 Fun-fly. Planning for the Invitational will need about 3 trainers and extra batteries. Jim and Forrest will run the event and we will need people to help park cars and cook. I'm going to have some simulators for the people to try-out .

**Old Business:** We need to complete the tables by the Fun-Fly. Marshall will be running an ad in the newspaper.

**New Business:** Marshall showed the invitation he sent to the City. Ben Jonsson brought up the fact that the New membership prices need to be changed. It was discussed and approved to change the New member pricing to remove the prorating system and make the fee a flat \$100 to any new member at any time. This will be the initiation fee and the runway fee together. Starting in 2009, this does not apply to current members as they will pay the yearly dues(\$70). New toilet for the event will get ordered. We plan to be able to borrow the snow fence

from Woodland for extra fencing. This will allow us to make a longer pit area, and have planes spread out.

**Toilet Seat Award:** Where is it and who has it?

**Show and Tell:** Jason brought in a Hyperion Sniper from Chief Aircraft supply, \$70 he also mentioned Hobby City (online) has a good price on batteries. He said it is a real good flyer for 3D practice.

**Raffle:** Several items from fuel to tools were raffled off.

#### **Secretaries' Column**

**Oren Redsun**

I've been fixing airplanes for the last two weeks and then a new project came in. A washer and dryer then came the painting... I still need to fix and recover the airplanes for the Invitational. I came out to help out with the 100 lap race and planned to come out for the Fun fly. I talked with Forrest and he said that we weren't going to have the Fun Fly because it may rain. I hope we can reschedule the event. You'll find pictures from Reno 2008 and the not so many laps (100 lap race). Which by the way turned into a free fly event and never happened for lack of ambition. Oh well I was going to fly my Slow Poke and beat everyone. We postponed the clean-up til Oct 4<sup>th</sup>. It will be a mad dash for the rest of the week to get the field looking good.

[At64me@yahoo.com](mailto:At64me@yahoo.com)

See you at the field SOON  
Oren

Classified Add:

Mark Castro is selling a nice flying Super Stearman for \$175.  
Just add radio...

Another great flight

Kim why are we the only ones flying?

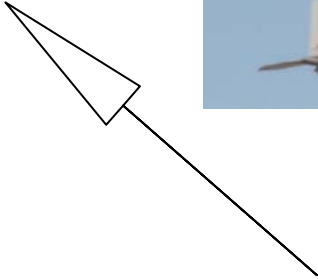

I think we scared the others off.

Who put all these rubber bands on ?

Fun at the 100 lap free for all. Isn't the oil supposed to go in the engine and not on the airplane? That's Rare Bear with a blown main bearing totaling the engine.

Which airplane? I didn't know I could do that. WOW!

No I think it's Jason's

Kim, is that your airplane up there?

**VACA VALLEY RADIO CONTROL CLUB PRESENTS  
THE  
1<sup>ST</sup> ANNUAL FAIRFIELD INVITATIONAL FLY-IN
