The Pres Says.....

Linda and I have been going over the meal selection etc. for the Xmas party. There have been price increases since I first looked into this. Included in this newsletter this month is the menu, and costs associated for setting up the buffet. Originally I thought the venue here would be a great place to have our dinner

because the setting was great and we would be able to show crash movies on a big screen. I know most enjoy watching these movies, as long as it's not them crashing. Also there is a pool table and bar with bar-tender. They are the good things.

However, judging from past Xmas parties there would be maybe 35-40 people. The costs detailed on the Xmas flyer are based on 35 people showing up. Prime Rib would be \$33.03 and Teriyaki Chicken \$26.78. These costs include Vegetable, Salad, Potatoes, Veggie tray and Garlic Bread, with our own bar for 3 hrs. Punch Fountain consisting of 4 pitchers costing \$32 could be paid by the club or not, and costs could decrease somewhat if we get more than 35 people to show up.

So.. look over the included menu and let me know via email or call me to let me know your decision to attend the party or not.

Because the less people go the more costly for each person that does go. If the interest in

this is not at least 35 + I think the best thing to do is cancel for this year. You need to let me know either way by end of Oct. so that I can cancel this and get my deposit back,

Next subject; is the election for the club officers... The nomination for officers for 2012 will be held at the Nov. meeting and voting will be in December, either at the Xmas Party or at the regular scheduled club meeting in December. If we have the voting at the club meeting, you need to attend this meeting to vote. On the subject of club officers... I myself will not be in the running for any club office position.

Signing off....
