AMA CHAPTER 172, CIRCA 1960,
FAIRFIELD CA

May June 2011 Issue 6

<http://www.vacavalleyrc.com>

The Pres Says.....

As I write this June 5th, the weather is still terrible causing the reschedule of the 100 Lap race and the T-34 race that was added to the June 4th race day. These events have been moved to June 11th. Hopefully the weather will permit a race that day.

We have the Annual Open House scheduled for June 25th.

I am still looking for help with BBQ... contact me please if you are interested in helping. There will be a work party before the open house, however I have to be out of town the weekend of the work party, which is June the 18th.

Therefore, I will recruit a work party to repair the roof, mow the area, general weed clean up and clean up of the tables.

This open house is an opportunity for our club to show off our aircraft to the general public and perhaps recruit more membership.

This club should have every member who can make the open house with their favorite airplanes because we will have a runway line-up of all the planes for the public to view and ask questions of the pilots about their aircraft. I would like to see a large member ship showing at this open house. For those who missed the Castle event, you missed a great event. Everyone I spoke to who were there for the first time said they were sorry

they had not attended before. Our group had a great time with the comrades of camping out as a group and a BBQ Saturday evening. If you want to fly at this meet, all you need is an 80" plane or a 60" bi-plane. Or just come down to see all the aircraft flying and lots of airplane related equipment for sale CHEAP!!

Signing off....

Monty "crash & burn" Welch

April 8th 2010 Meeting Minutes:

Called to order@ 7:30. 16 Members present.

Committee Reports:

Toilet Seat Award: None

Show and Tell: None

Raffle: Fuel and tools...and donated stuff.

Club Announcement

May 1st... **all engines** will be required to have an effective muffler

on their planes if their engines are over .25... to cut down the noise. This is important so as to not annoy the neighbors to the West

of the field and create complaints which could result in loss of field.

VVRC Event List

- June 11th 100 Lap Race/T34 .
- June 25th Open House/BBQ
- Oct 15th [World Models T-34 Race](#)

- Wings of Victory - July 22-24
- Golden Age - Aug 20
- Heli Masters - Sept 23-25
- Jet Fly - Oct 7-9
- Secretaries' Colum Oren Redsun

I know that you all have been anxiously looking forward to my Colum. Well here it is: I was able to attend the Castle Fly-in Pictures later. I had a great time seeing and talking with other pilots. I have sitting on my garage a Top Flite giant P-51. I talked with three people that have them for the best engine setup and so forth. That was my first real large event that I have ever been to. What an experience. I watched a night flight with a 31% 3D airplane, and of course foamies doing the same at 9:30 at night... There were some very nice scaled out models. Our gang flew everything they brought. I watched Monty W. repair his main gear after it was torn out when the strut turned on landing. Next up is the Open House

June I will be setting up my simulators again for that. Remember we have 2 club trainers available anytime. We also have a Realflight 3 setup that can be loaned for a \$50 deposit. So if you know anyone whom wants to learn to fly and doesn't have the needed stuff contact me or Paul Gundolff.

See you at the field SOON
Oren
