AMA CHAPTER 172, CIRCA 1960,
FAIRFIELD CA

September 2009 Issue 9

<http://www.vacavalleyrc.com>

I was not at the meeting due to a family event that we tried to reschedule. I'm told the meeting was interesting as everybody watched Brant make passes with his Mustang at the Airport. Jason sent me a synopsis of the meeting. The FunFly was also blown out.

August 11 2009 Meeting Minutes

Called to order @ 7:30.

Committee Reports:

Flying site: Please remember not to fuel on the tables. The gate has been left open several times. I'm making a sign for the driveway out to remind people to lock the gate.

Membership: 63 members paid and one new member.

Treasurer: Total of approx \$34,000

Safety: No new items.

Events: The 100 lap race needs to be rescheduled (TBD). We encourage everyone to come out and help even if they don't want to fly. Forrest will be working on events and schedule them between other events in the area.

Old Business: Christmas Party is on hold due to Marie Calendar's being closed.

New Business: None

Toilet Seat Award: none

Show and Tell: None

Raffle: No raffle due to my not being there.

Secretaries' Column Oren Redsun

As the weather improves so does my flying time. However school and other items always take over. I was able to make it out to the Nut Tree's Mustang day. Some very nice airplanes and cars there. Always great to see warbirds especially flying ones.

See you at the field SOON
